MATTED COAT DISCLOSURE

I understand that my pet's coat is matted and requires special handling. Grooming a matted pet can be stressful and may involve risks, including but not limited to:

- Skin irritation, redness, or bruising
- Nicks, cuts, or abrasions due to mats pulling tightly on the skin
- Uneven coat length after removal of mats
- Increased grooming time or the need for a complete shave-down
- Discovery of pre-existing conditions hidden beneath mats, such as parasites, sores, or infections

I acknowledge that these risks are not the fault of the groomer and are a result of the pet's coat condition.

SHAVE-DOWN AUTHORIZATION

I authorize Calhoun County One World Pet Resort Grooming to remove mats from my pet's coat in the safest manner possible, including shaving the coat if necessary. I understand that a matted coat cannot be brushed out humanely and may cause pain or injury to my pet.

BEHAVIOR & MEDICAL DISCLAIMER

I confirm that my pet is healthy enough for grooming. I understand that grooming a matted pet may cause additional stress, and the groomer may stop the procedure if the pet becomes unsafe.

I accept full responsibility for any veterinary care required due to pre-existing conditions, stress, or grooming-related complications. All costs for such care will be my responsibility.

LIABILITY RELEASE

I release Calhoun County One World Pet Resort Grooming and its staff from all liability relating to injuries, stress, or medical issues that may occur as a result of grooming my matted pet. I understand the groomer will make every effort to ensure my pet's safety and comfort.

FEES

I understand that mat removal incurs additional fees due to the time, skill, and risk involved. I agree to pay any matting fees assessed at pickup.
